Welcome to Randolph-Macon College and the 2013 Virginia Forum! This year’s Forum features nearly 30 sessions, over 75 presenters, and book exhibits by Scholar’s Choice and the University of Virginia Press.

Coffee and breakfast pastries will be available each morning and beverage/snack service during the afternoon break on Friday for registered participants. Lunch will be provided for registered participants on Friday and Saturday. Ashland also possesses a number of other convenient dining options: follow the railroad tracks southward from campus to find (within a couple blocks) Homemades by Susan, Ashland Coffee & Tea, the Iron Horse Restaurant, and Trackside Grill. Fast food and Starbucks are found at the intersection of Rt. 54 and Hwy. 1 east of campus. See the Ashland visitor’s guide in your welcome packet for more options.

The Program Committee encourages all conference attendees to participate in the two plenary sessions during the lunch breaks: on Friday, the Virginia Forum Publication Initiative; and, on Saturday, the 2014 Forum Planning Meeting.

We hope you enjoy the conference and your stay in the Center of the Universe!

Session Locations:
All sessions will be held in the Topping Room of Old Chapel (#21), the Oliver Room in the McGraw-Page Library (#36), and the Multi-Purpose Room of Andrews Hall (#61)—numbers refer to the locations on the campus map provided in your welcome folder. All session rooms are fully mediated with computers that provide internet access and projection capabilities.

The book exhibits and break services are located in the lobby of the McGraw-Page Library.

Lunch service will be provided in the in the Estes Dining Hall (#35) on Friday and Saturday.

Registration:
The registration table is located in the lobby of the McGraw-Page Library and will be open at the following times:

- Thursday, March 21st: 3:30pm – 6:00pm
- Friday, March 22nd: 7:30am – 3:30pm
- Saturday, March 23rd: 7:30am – 10:15am

Parking/Transportation
On-campus parking will be limited on Thursday and Friday since classes will still be in session and Forum attendees will be vying for spaces with another program occurring simultaneously on campus on Friday.

There will be bus service between the Randolph-Macon campus and the conference hotels, as well as between the keynote site and the hotels (please refer to schedule). Utilizing this service will help alleviate the parking issues on campus and we encourage you to do so. There are a limited number of parking spaces reserved for Forum participants (parking lots E and J on the
campus map) and we ask Forum attendees driving to campus to defer to those with limited mobility.

Additional (on-street) parking for Thursday evening and Friday can be found in the neighborhoods to the east and west of campus or, though a bit further away, in the blocks south of Rt. 54. Finding parking on-campus during the Saturday sessions should not be as difficult.

K-12 Educators:
Please inform the registration staff if you plan to use your Forum participation and/or presentation to acquire professional development points. The 2013 Program Committee chairman can provide you with a certificate verifying your participation and/or presentation at the Forum. Do note, as per the 2012 Virginia License Renewal Manual, educators “must have prior approval from the[ir] chief executive officer” to ensure the receipt of points for this activity.

Exhibits:
The Scholar’s Choice and University of Virginia Press book exhibitors are located in the lobby of the McGraw-Page Library and are available 7:30am–3:30pm on Friday and 7:30am–3:15pm on Saturday.

R-MC’s Flippo Gallery (in Pace-Armistead Hall, #25) is currently exhibiting “Mapping Nowhere,” by the Richmond/Fredericksburg-based artist Rosemary Jesionowski. The gallery is open on Friday, 10:00am–4:00pm, and is offering special hours (9:30am–3:00pm) on Saturday for Virginia Forum participants.
